Infringement Review Form

The following are not valid reasons or explanations that would allow the withdrawal of a parking Infringement:

- You did not see the sign - the driver must look for and comply with parking signs to ascertain if parking is permitted in the area.
- You do not understand the parking sign or the sign was confusing - the Town's signs comply with the standards set by the relevant Australian Standard.
- You did not know the parking restrictions applied.
- You couldn't find a parking bay so you left your vehicle in a place you thought would have been permitted - the driver must look for and comply with parking signs to ascertain if parking is permitted in the area.
- You thought you were allowed to park there - only authorised vehicles can park in Loading Zones, Taxi Stands, Disabled parking bays or Bus zones.
- You went to get change for the machine - you need to arrange this before you arrive.
- The ticket or permit had fallen out of sight or flipped upside down - you must ensure that any parking ticket/permit is displayed correctly prior to leaving the vehicle.
- You had to use the toilet.
- You were only there for a few minutes or you lost track of the time.
- You were helping someone and thought it was ok to disregard the parking rules - drivers need to ensure their vehicle is legally parked, regardless of the reason.
- Your doctor's appointment/hairdresser/job interview/exam/lecture, etc went over time - you must ensure you have parked in a place that provides enough time for your requirement.
- You did not see the time restrictions on the sign or did not read all information on the sign.
- You were visiting someone in hospital.
- You ran out of fuel.
