Our commitment to safety and wellbeing

Message from Mayor Jock Barker

The Town's customer relations team have transitioned smoothly to working remotely and are available to answer or direct your queries regarding the Town's services, please call us on 9285 4300 or email toc@claremont.wa.gov.au.

I am delighted to hear that many Claremont business owners have rallied and adjusted their service delivery to align with the most recent government advice. As a business owner until recently, I commend the initiative of these businesses under such unique and challenging circumstances. From flowers to delicious food delivery services to online yoga classes there are plenty of ways the community can continue to support local businesses. Kind regards

Mayor Jock Barker
