Purpose

The purpose of this policy is to ensure that the Town of Claremont's (**Town**) financial statements contain disclosures necessary to draw attention to the possibility that the Town's financial position may have been affected by the existence of transactions with related parties in line with the requirements of Australian Accounting Standard AASB 124 - Related Party Disclosures (**AASB 124**).

9. Sale or purchase of any property owned by the Town to a Related Party or property owned by a Related Party to the Town;

11. Contracts and agreements for construction, consultancy or services;

If the transaction is provided at arm's length and in similar terms and conditions to members of the public, then the transaction is deemed an Ordinary Citizen Transaction (**OCT**).

A Disclosure Form must be completed prior to the end of a Council Member's term or termination of a KMP's employment with the Town.

Materiality

The CEO will apply professional judgement and the following criteria to assess the materiality and significance of transactions disclosed by related parties and their subsequent notification to auditors and for inclusion in the financial statements:
