Notice of Works – Bay View Terrace

22 October 2024

Dear Resident/Business owner

Tree pruning along Bay View Terrace

The Town would like to advise the street trees in the CBD along Bay View Terrace between Gugerri Street and St Quentin's Avenue are having formative pruning undertaken. Our contractors will be using battery operated chainsaw machinery and a leaf blower in the area, but will be chipping branches off site. They will need to close off car bays at selected trees to ensure the safety of our operators and to ensure no damage to parked and traveling vehicles.

Works are expected to occur after hours between 5am and 8am on Tuesday 29 October 2024. While it is inevitable that works of this nature will cause some noise and inconvenience, every effort will be made to ensure that this is kept to a minimum. The Town has aimed for a time to minimise disruption for both the businesses and residents of the area.

If you have any queries regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely

Jen Steyn
Urban Forest Officer
