Playground Equipment Additions – Hatchett Park

17 April 2025

Dear Resident,

Playground Equipment Additions – Hatchett Park

The Town would like to advise that there will be two new pieces of playground equipment being installed at Hatchett Park on Monday 5 May 2025, weather and contractor permitting. The equipment will be installed within the existing sandpit, with a seesaw to the north and kitchen to the east of the swing set. Images of the designs have been included in this letter.

Below is the proposed sequence of events:

- Fence off work area with temporary fencing
- Playground contractors dig in footings
- Playground contractors install new equipment
- Temporary fencing is removed
- Playground reopens

Works are expected to occur between 7am and 5pm. While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

If you have any questions regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely

Cloe Dolan
Manager Parks and Environment

Kitchen - Eastern side of sandpit

Seesaw - Northern side of sandpit
