Myera Street – Roadworks, drainage, resurfacing - Delays

9 February 2022

Dear Resident,

**Myera Street – Roadwork Delays**

Due to circumstances beyond the Town's control, works scheduled on Myera Street for 7 February 2022 have to be rescheduled. This is due to a shortage and unavailability of materials and contractor labour.

Once determined, the Town will be rescheduling the project to restart accordingly and will update residents once the new completion dates are known.

If you have any questions regarding this project or would like further information, please contact me on 9285 4300. The Town trusts that you will bear with us as we work through this difficult and challenging project.

Yours sincerely

Wayne Mo
