

# SUN- DAY- FUN DAYS

AT CLAREMONT MUSEUM

TOWN of CLAREMONT

Get creative at the Claremont Museum on selected Sundays over autumn and winter with a range of fun and educational kids activities.

Activities take place in the Museum Courtyard between 11 am-1pm and are suitable for all ages. We ask parents to always supervise their children and assist where required.

Autumn/Winter  
2025 program

**Sunday 4 May.** Making Mother's Day Gifts

Get ready to celebrate your mother by making lovely, flower salt dough badges.  
*Bookings required, scan the QR code.*

**Sunday 18 May.** Day on the Bay

Join us down at the Museum as part of the Day on the Bay. There will be plenty of fun things to do.

**Sunday 22 Jun.** Winter Solstice Lantern Making

The days are getting shorter and the nights longer. Winter is a perfect time to wrap up, sit outside and watch the stars by the light of your very own homemade winter solstice lanterns. *Bookings required, scan the QR code.*

**Sunday 6 Jul.** NAIDOC Week kids' activity

Join us down at the Claremont Museum to celebrate First Nations culture.  
*Bookings required, scan the QR code.*

**Sunday 27 Jul.** Christmas in July – Make your own decorations

Celebrate Christmas in July! Come down to the Museum, listen to some carols and make your own decorations. *Bookings required, scan the QR code.*

**Sunday 10 Aug.** Science Week – Magnet Fun

It's Science Week and time to get magnetic. Come and learn about magnetic attraction, magnetic materials and make your own fridge magnet to take home.  
*Bookings required, scan the QR code.*

**Sunday 31 Aug.** Birdwatching for kids

Join a local birdwatcher for an enjoyable morning of learning about local birds. Finish the bird treasure hunts and chirp along with the local birdsong.  
*Bookings required, scan the QR code.*
