Important information inside  
Victoria Avenue Median Island Reticulation Upgrades

31 March 2025

Dear Resident,

### **Victoria Avenue Median Island Reticulation Upgrades**

The Town would like to advise that from Monday 14<sup>th</sup> to Wednesday 16<sup>th</sup> April 2025, reticulation contractors will be upgrading the sub surface irrigation tubing located within the median island along Victoria Avenue. These median islands are located from Bay View Terrace to Watkins Road.

Traffic management will be in place and three medians island will be worked on at a time. The road will not be closed, but vehicles may be asked to change lanes at times through the assistance of stop-go signage. The school holidays have been chosen for these works due to the lower expected traffic volumes.

Works are expected to occur during working hours, between 7am and 5pm on weekdays. While it is inevitable that works of this nature will cause some inconvenience, every effort will be made to ensure that this is kept to a minimum.

If you have any questions regarding this project or would like further information, please contact me on 9285 4300.

Yours sincerely

Cloe Dolan  
Manager Parks and Environment
