CURATORIAL FLOOR TALK WITH PAOLA ANSEMI

SUNDAY 10TH AUGUST AT 11AM

Join us at the Claremont Art Award for a curatorial talk. The curator will guide guests through the selection of work on exhibition, highlighting this year's nominated and award-winning artists, their artistic practice, and the broader themes that shaped the Award and jury's selections. The walkthrough format encourages an informal and interactive dialogue. You'll have the chance to ask questions, share your reflections, and gain a deeper understanding of the works on display.
